LESSON 1: STUDENT ACTIVITY SHEET

You're holding the keys to a brand new car, longing for a new smartphone upgrade and planning a holiday. But wait ... will doing these things affect your credit? Determine how the scenarios below might impact your credit rating. (Remember—it can go up or down.) Justify your reasoning and offer a solution to any negative impacts.

Scenario 1:

You want to purchase a new vehicle and you have your heart set on a brand new SUV. You take out a loan to pay for the car, but after six months you begin to fall behind on payments and incur late fees.

Scenario 5:

You're planning a holiday with friends over winter. You get a credit card offer in the mail that lets you earn frequent flyer points for every \$1 you spend, plus bonus points for opening a new account. Even though you have opened three other credit cards this year, you jump on the opportunity and sign up immediately because you haven't bought your flight to Bali yet.
